Minutes

A DEDALE action item review telecon took place on the 8th of March 2018 with representatives from CEA, FORTH, TUB and UCL. Action items issued during the project meeting held in London between the 5th and 7th of February were discussed.

Existing Action Items:

- **Action 1: All WP Leads** - start putting work into deliverable template format and contact Sam for help/feedback.

Deadline: N/A

Status: In Progress

Notes: No progress since London meeting. This action will be revisited during the next telecon.

- **Action 2: Florent** - Have submission ready draft of denoising on the sphere paper prepared by May.

Deadline: 31/05/2018

Status: In Progress

Notes: On track to be submitted on time, not issues at present. This action will be revisited during the next telecon.

- **Action 3: Kostas** - Submit DL application to colour data paper to EUSIPCO.

Deadline: 17/02/2018

Status: Incomplete

Notes: Paper not submitted. Preliminary results produced, full journal paper expected before the end of the project.

- **Action 4: Arnaud** - Check code and send new data set to Nancy.

Deadline: 20/02/2018

Status: Done

Notes: Nancy and Arnaud have been in contact and realised that the issues discussed in London were due to parameter settings so no new data is required.

- **Action 5: Filipe** - Sort out storage option for spec/photo data at UCL.

Deadline: 28/02/2018

Status: Done

Notes: Filipe arranged for data storage on UCL FTP server.

- **Action 6: Nancy** - Provide paper draft by first week of April.

Deadline: 09/04/2018

Status: In Progress

Notes: On track to be submitted on time, not issues at present. This action will be revisited during the next telecon.

- **Action 7: Bruno** - Run Darth Fader before going to Chile.
